

# You're always right with Tombow!

## Premium Correction, Writing and Drawing

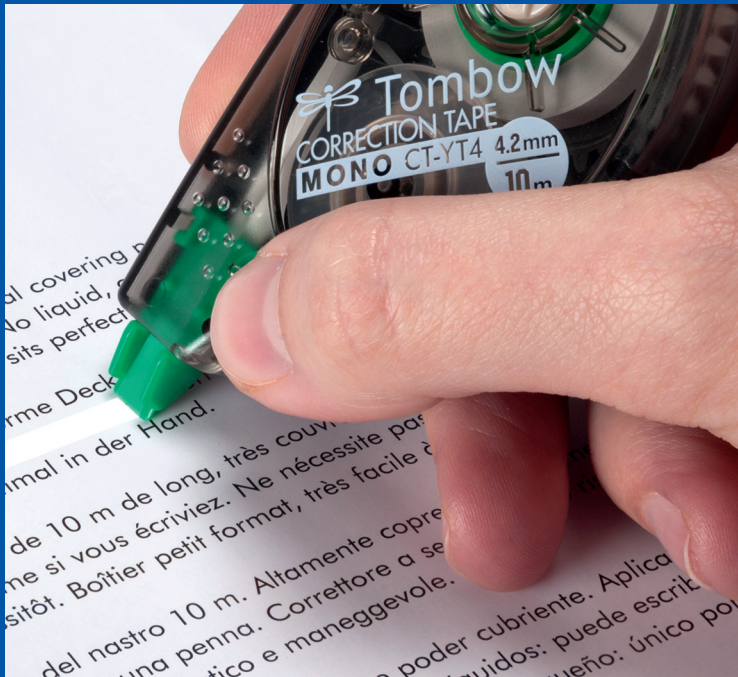

The correct choice!

**MONO**

## CORRECTION TAPES

## THE RANGE

Correction Tape for artists, creative individuals and everyday working life. MONO correction tape dispensers are created with Japanese precision craftsmanship.

- Tear-proof tape (PET) can be dispensed down to the last millimetre
- No drying time - can be written over instantly and cleanly
- Tombow Coating Technology ensures clear re-writing is possible
- Dispensers have an anti-rollback function that prevents the tape from getting twisted
- Tape is opaque white and does not cast any shadows during copying or faxing
- Refills available

correction tape

MONO office correction  
tape and refills

MONO note correction tape - extra thin tape for the finest of corrections.

Extra fine for precision correcting

2 tips for maximum creativity!

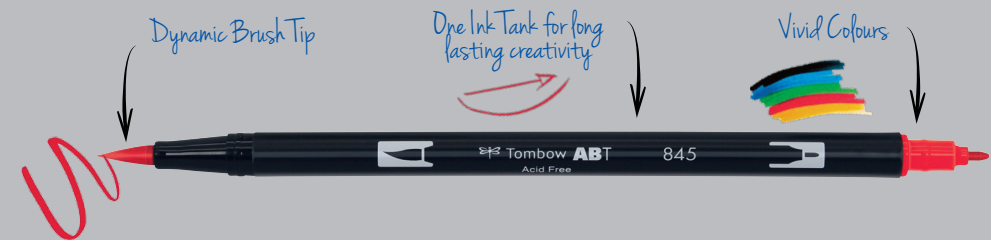

## ABT BRUSH PENS

Brush pen with 2 tips, perfect for hand lettering, aquarell, illustrations, stamping, card crafting, drawing comic, manga, journaling and so much more.

- Brush Pens combine the advantages and properties of pens and brushes and with flexible brush tips, you can write or paint in a dynamic way and it feels like a brush stroke - particularly good for hand lettering
- Paint and write evenly without putting the pen down.
- The fine tip has a line thickness of approximately 0.8mm used mainly for drawing exact lines; the second tip is a flexible brush tip has a variable line thickness, depending on the pressure applied, of up to 10mm
- Acid-free, non-toxic and odourless

## THE RANGE

Choose from primary, secondary, pastel, earth, greys, candy, vintage and dermatologically tested colours.

The write choice!

## BALLPOINT AIRPRESS PENS

*New Outdoor Colours  
Just Arrived!*

REFILLS  
AVAILABLE

**Write anywhere - the Ballpoint AirPress Pen writes upside down, in extreme environments and even on WET paper! It is the perfect companion for outdoor, hobby, school and professional use.**

- The ballpoint AirPress pen is always ready to use thanks to compressed air technology - it writes overhead, in dusty environments, on damp paper and in freezing temperature (up to -5 °C)
- Due to its rubberised grip area the pen offers a secure grip even in rain, with damp fingers or when using gloves
- Featuring a touch metal clip for attaching to your clothes, pocket or to a bag
- Black ink, 0.7mm line width, refillable

## HIGHLIGHTERS MONO EDGE

*Assorted pack of  
6 vibrant colours!*

*One highlighter - 2 different sized tips!*

**Dual tip highlighter with broad chisel tip and extra-fine bullet tip in one pen.**

- Unique design with protective plastic sleeve keeps metal rulers and stencils clean
- Vibrant colours are perfect for colour-coding and decorating planners, journals, notebooks and study guides
- Fast drying ink doesn't smear or bleed through most papers
- Chisel tip 3.8mm; extra-fine bullet tip 0.8mm
